NATIONAL BLACK NURSES ASSOCIATION

Celebrates

Black History Month
with Black Nurse Leaders

Dr. Millicent Gorham
Executive Director
National Black Nurses Association

Create your own personal board of directors to include people from different industries and areas like operations, marketing, public relations and fundraising. They can give you solid advice to advance your personal and professional development. Your network is EVERYTHING. Deliver on your value proposition. Have multiple streams of income. Be kind. Give thanks to the Creator!
