NATIONAL BLACK NURSES ASSOCIATION

Celebrates

Black History Month
with Black Nurse Leaders

Barbara J Hatcher, PhD, MPH, RN, FAAN
President, Chi Eta Phi Education Foundation, Inc.

“As President of the Chi Eta Phi Education Foundation, I can advance health equity across the globe and help develop future global health nursing leaders who can make a difference, worldwide. I have learned that truth, diversity, equity, inclusion, and social justice are always proper and are critical building blocks for developing socially conscious leaders, organizations, and partnerships.”
