NATIONAL BLACK NURSES ASSOCIATION

Celebrates

Black History Month
with Black Nurse Leaders

Danielle McCamey, DNP, ACNP-BC, FCCP
Founder, CEO & President, DNPs of Color

“I have learned that leadership is the ultimate service to others. It’s humbling, transformative, and rewarding because you get the opportunity to inspire and empower so many people. Leadership positions you to build your legacy that becomes the foundation for others to build upon to make an impact in their own way.”
