Stride, Inc

The National Black Nurses Association was founded in 1971 with the mission to provide a forum for collective action by Black nurses to advocate for and implement strategies to ensure access to the highest quality of health care for persons of color. Representing more than 500,000 nurses in the US, Canada, Eastern Caribbean, and Africa, the NBNA is powered by the leadership of 112 chapters in the United States. To learn more, visit NBNA.org.

Dr. Sheldon D. Fields

PhD, RN, FNP-BC, FAANP, FNAP, FAAN
