

**BEATING CANCER IS IN OUR BLOOD.**

## **FOR HEALTHCARE PROFESSIONALS**

**WE ARE PLEASED TO INVITE YOU TO PARTICIPATE IN OUR  
FREE CE ENDURING WEBINARS ON:**

**CHRONIC LYMPHOCYTIC LEUKEMIA  
HEMATOPOIETIC CELL TRANSPLANTATION  
NON-HODGKIN LYMPHOMA  
MULTIPLE MYELOMA  
MYELODYSPLASTIC SYNDROMES  
MYELOPROLIFERATIVE NEOPLASMS**

**Target Audience** — Advanced practice providers, nurses, and oncology social workers involved in the care of patients with hematologic malignancies.

### **CHRONIC LYMPHOCYTIC LEUKEMIA (CLL): DIAGNOSIS, TREATMENT AND SIDE EFFECTS MANAGEMENT**

#### **Speakers**

**William Wierda, MD, PhD**

The University of Texas MD Anderson Cancer Center

**Deborah McCue, PharmD, BCOP**

The University of Texas MD Anderson Cancer Center

**Jackie Broadway-Duren, DNP, APRN, FNP-BC**

The University of Texas MD Anderson Cancer Center

#### **Description**

This webinar will provide a basic overview of chronic lymphocytic leukemia (CLL): focusing on strategies for diagnosis and patient management. Risk assessment, treatment options, the role of various members of the healthcare team in addressing treatment goals, guidance for patients and caregivers in treatment decision making, as well as resources for patients, caregivers and healthcare providers will be discussed.

#### **Continuing Education Credit**

This activity is accredited for 1.25 continuing education credits for nurse practitioners, nurses, and social workers. Participants must attend the free webinar in its entirety, submit the online evaluation form and complete and submit the online post-test with a passing score of 70% to earn credit. Once submitted, the certificate will be automatically generated as a PDF online.

**BEATING CANCER IS IN OUR BLOOD.**

## **FOR HEALTHCARE PROFESSIONALS**

### **HEMATOPOIETIC CELL TRANSPLANTATION AS TREATMENT FOR BLOOD CANCERS: THE TEAM APPROACH**

#### **Speakers**

**Ran Reshef, MD, MSc**  
Columbia University Irving Medical Center

**Rachel Abramova, PharmD**  
NewYork-Presbyterian Hospital  
Columbia University Irving Medical Center

**Corinne Shamehdi, MPAS, PA-C**  
NewYork-Presbyterian Hospital  
Columbia University Irving Medical Center

**Krista McCarthy, LCSW**  
NewYork-Presbyterian Hospital  
Columbia University Irving Medical Center

**Alison Hoffman, LMSW**  
NewYork-Presbyterian Hospital  
Columbia University Irving Medical Center

---

#### **Description**

This webinar will provide a basic overview of types of hematopoietic cell transplantation used in the treatment of blood cancers, including autologous, allogeneic, and reduced-intensity allogeneic stem-cell transplantation as a treatment option for blood cancers and describe strategies to manage treatment side effects as well as potential long-term and late effects of hematopoietic cell transplantation. Resources for patients, caregivers and healthcare providers will be discussed.

#### **Continuing Education Credit**

This activity is accredited for 1.75 continuing education credits for nurse practitioners, nurses, and social workers. Participants must attend the free webinar in its entirety, submit the online evaluation form and complete and submit the online post-test with a passing score of 70% to earn credit. Once submitted, the certificate will be automatically generated as a PDF online.
