For more about exhibiting or attending the conference, visit www.nbna.org and Facebook to register for the Career and Educational Fair Today!

Our Career Fair is designed to introduce students, new and seasoned licensed RNs and LPNs to regional and national recruiters. The majority of our recruiting exhibitors will be attending to meet nurses who are currently licensed, have some experience in a nursing setting, and are available to work immediately. If you are a new graduate or student who will graduate in the next 6 months, this will be a prime opportunity for you to interview with potential employers. If you are interested in earning your next degree in nursing this is the place for you!

Come and visit with recruiters from some of the top Universities, Health Care Systems, in the country and receive valuable information from Nationally recognized non-profits providing information and resources for patient care.
