

## Kimberly A. Parker

### Education

PhD	2008	Health Promotion and Behavior (Behavior Foundations) The University of Georgia, College of Public Health
MPH	2000	Health Promotion, Behavior, and Education The University of South Carolina, Arnold School of Public Health
MA	1997	Rehabilitation Counseling, South Carolina State University
BS	1995	Psychology, South Carolina State University

### Dissertation

The voice unheard: The perspective of African American men who have sex with women on HIV transmission in low income, high crime communities. August, 2008, Dr. Su-I Hou

### Professional Certification and Licensure

2013-Present	Master Certified Health Education Specialist (MCHES), National Commission for Health Education Credentialing (# 21846)
2008	Interdisciplinary Qualitative Studies Graduate Certificate, The University of Georgia
2006	Graduate Certificate of Achievement, The Institute for Women's Studies, The University of Georgia
2000-2013	Certified Health Education Specialist (CHES), National Commission for Health Education Credentialing (# 8682)

### Academic Teaching Experience

2014-Present	Associate Professor, Department of Health Studies, Texas Woman's University, Denton, TX
2012-2014	Graduate Coordinator, Department of Health Studies, Texas Woman's University, Denton, TX
2010-Present	Affiliate Faculty Member, Department of Women's Studies, Texas Woman's University, Denton, TX
2008-2014	Assistant Professor, Department of Health Studies, Texas Woman's University, Denton, TX
2006	Teaching Assistant, The College of Public Health, The University of Georgia, Athens, GA
2005-2007	Teaching Assistant, Institute of Women's Studies, The University of Georgia, Athens, GA

### Additional Work Experience

2005-2007	Instructor, Project GRAD/Atlanta Public Schools, Atlanta, GA
2001-2008	Sr. Program Associate, Center for Science Education, Emory University, Atlanta, GA
2001	Behavioral and Emotionally Disabled Instructor, Mecklenburg School

Parker, Kimberly

District, Marie G. Davis Middle School, Charlotte, NC

1999-2000 Public Health Consultant, Department of Health and Environmental Control, Columbia, SC

1996-1999 Youth Health Educator/Specialist, Orangeburg Consolidated School District, Bowman Elementary School, Bowman, SC

**Research Consultant:**

2015-2017 External Evaluator, NMAC (Leadership Pipeline), Washington, DC

2009-2011: External Evaluator, National AIDS Fund/Emory Hope Clinic, Atlanta, GA

2007-2008 Public Health Consultant/External Qualitative Evaluator, Atlanta AIDS Partnership Fund/Emory Hope Clinic, Atlanta, GA

2007-2008 Public Health Consultant/Qualitative Evaluator, HIV Microbicide Clinical Trials, Emory Hope Clinic, Atlanta, GA

**Higher Education: Teaching Activities**

Courses Taught: Texas Woman's University

*Undergraduate courses:*

HS 1902/1901: Fitness and Health Lab and Lecture

HS 3053: Community Health

HS 3073: Program Planning in Health Promotion

HS 3083: Program Evaluation in Health Promotion

HS 4353: Seminar in Health Planning, Promotion, and Education (Grant Writing)

HS 4363: Consumer Health

*Graduate courses:*

HS 5543: Ethnic and Cultural Health Factors

HS 5563: Consumer Health

HS 6043: Methods in Health Education Research

HS 6053: Qualitative Research in Health Education

HS 6073: Seminar in Health Education (Grant Writing)

HS 6483: Evaluation in Health Education

HS 6423: Global Health

Courses Taught: The University of Georgia

*Undergraduate courses:*

WMST 1110: Multicultural Perspectives of Women in the US-Department of Women's Studies

HPRB 3150: Women's Health-Department of Health Promotion and Behavior (The School of Public Health) -

**Higher Education: Student Research**

Dissertation, Major Professor (Chair)

De'An Roper: 2018 (Major Professor) Assessing Social Support, Concealment and Disclosure as Moderators among Sexual Minority Women Who Smoke

Elizabeth Wachira: May 2017 (Major Professor) "I Can't Even Walk, You're Expecting Me to Climb a Mountain?" An exploration of service providers' perceptions of vulnerability among individuals experiencing homelessness

Adrian Yam: December 2016 (Major Professor) Using Photovoice to Identify and Examine Perceptions of Health and Well-being among Burmese Refugees Resettled in Houston, TX

Emily Mire: May 2016 (Major Professor) Exploring Perceived Attitudes, Beliefs and Barriers towards Depression and Resource Utilization among Medical Students

Stephanie Hale: December 2015 (Major Professor) Perceptions of Biomedical Strategies and Perceived Risk of HIV Transmission in African American Women

Rosalind Washington: May 2014 (Major Professor) Examining the Relationship between Patients Beliefs about Medication and Medication Adherence among Patients with Heart Failure

Tammy Curtis: December 2013 (Major Professor) Examining the Importance of Incorporating Emergency Preparedness Core Competencies into Allied Health Curricula as Perceived by College Instructors

Janea Snyder, December 2012 (Major Professor) Examining the Relationship between Body Image Perceptions and Perceived Threat of Heart Disease and African American Women

Stephanie Holdenpalm, August 2012 (Major Professor) An Examination of the Use of Endoscopy Screening Test for Colorectal Cancer Among African American Medicare Beneficiaries in the Northwest Region of Louisiana

Cassity Guterrez: December 2011 (Major Professor) A Study to Evaluate the Effectiveness of the *Salus: Education Online Diabetes Training Program* and Improving Knowledge and Self-Efficacy of School District Employees to Provide Diabetes Care to Students.

#### Master's Thesis: Major Professor (Chair)

Brown, Jamiesha, July 2016 (Major Professor) Examining Determinants for Sexual Protective Behaviors among Black Women in the South.

#### Student Research & Mentoring (Grant Funding)

Jahmelia Hunter, 2016 (Research Faculty Mentor) Empowering Female High School Students through the Development of a Sustainable Garden. Texas Woman's University Quality Enhancement Program (QEP)

Megan Johnson 2016 (Research Faculty Mentor) Using a Retrospective Approach to Characterize Behavioral Traits among non-Identified Social Smokers that Transition to Consistent Smokers. Texas Woman's University Quality Enhancement Program (QEP)

Elizabeth Wachira, 2016 (Research Faculty Mentor) Exploring Vulnerabilities as Determinants of Health: Construct Validation. Texas Woman's University Quality Enhancement Program (QEP)

Elizabeth Wachira, 2015 (Research Faculty Mentor) Using Ethnography Data to Explore Vulnerabilities as Determinants of Health. Texas Woman's University Quality Enhancement Program (QEP)
