

**Patricia “Pat” Lane, MBA, BSN, SCRN**  
**for NBNA’s 2<sup>nd</sup> Vice President –**  
**Leader Advancing NBNA Excellence**

As a NBNA 2013 Trailblazer recipient, former member of NBNA's Board of Directors, health policy chair, and current chair of NBNA's brain health committee, I am committed to representing and creating opportunities for NBNA nurses to advocate and implement strategies ensuring access for continuous healthcare.

One of my biggest accomplishments has been serving as a mentor and coach to many of NBNA's members. I am a courageous **NBNA Neuroscience Nurse** dedicated to making a difference in the quality of life in communities, fostering experiences and ways for NBNA nurses to lead across the nation.

As second Vice President I will be dedicated to the mission and vision of NBNA and work tirelessly in serving the organization.
